

SDS Government College for Women, Ratia

Report on NSS One Day Camp

Organized on 15th September 2025

The National Service Scheme (NSS) Units of SDS Government College for Women, Ratia organized a One Day Camp on 15th September 2025 under the guidance of Programme Officers Ms. Reetu (Unit I) and Ms. Priyanka Mehra (Unit II).

The camp began with the Orientation Programme where the NSS volunteers were briefed about the objectives, motto, and importance of NSS. The Programme Officers motivated the students to actively participate in social and community development activities and highlighted the role of NSS in shaping youth leadership and responsibility.

After the orientation, the volunteers undertook the task of adopting a nearby park. A Shramdaan (voluntary labour) activity was carried out in which students actively participated in cleaning the park premises, removing weeds, and spreading awareness about cleanliness and green surroundings. The activity helped inculcate the spirit of teamwork, social responsibility, and environmental consciousness among the volunteers.

The camp concluded with a short interactive session where the volunteers shared their experiences and expressed their commitment to continue working for the betterment of society. The Programme Officers appreciated the efforts of the students and encouraged them to take such initiatives regularly. The NSS One Day Camp was a successful step in motivating students towards community service, environmental protection, and active citizenship.
